

## Reference list for The Campaign to Discredit MCS

The main document is located at [www.eiwellspring.org/hist/CMA1990.htm](http://www.eiwellspring.org/hist/CMA1990.htm)

Some internal industry documents were made public through court action or other means. They are available from depositories hosted by universities. The ones listed here are from PMDocs (pmdocs.com) and Industry documents (Industry documents.ucsf.edu).

ABQCC (Greater Albuquerque Chamber of Commerce). Chamber Alert, Multiple chemical sensitivity: when everything makes you sick, undated (1996).

Abrams, Herbert et al. Letter to Directors-General, World Health Organization, International Labor Office, United Nations Environment Program, and Director of International Program on Chemical Safety, April 17, 1996. (Later published in *Archives of Environmental Health*.)

ACSH. "Beware of doctors cashing in on environmental illness," warns scientific panel (press release), American Council on Science and Health, June 1993.

Angell, Marcia. Is academic medicine for sale?, *New England Journal of Medicine*, May 18, 2000.

Anonymous. Conclusions and recommendations of the workshop on multiple chemical sensitivities (MCS), February 21-23, 1996, *Regulatory Toxicology and Pharmacology* 24, S188-S189, 1996.

API (1990a). Perspective on Environmental Illness: an industry forum, (meeting invitation), American Petroleum Institute, 1990.

API (1990b). Perspective on "Environmental Illness": an industry forum, Agenda, American Petroleum Institute, November 7-8, 1999. (Industry documents TI0139-0934.)

Ashford, Nicholas and Claudia Miller. Chemical exposures: low levels and high stakes (second edition), New York: Van Nostrand Reinhold, 1998. (Out of print, but available as free download from University of Texas, San Antonio.)

Aspen program, 1994. First Annual Aspen Environmental Medical Conference '94 (session list), September 8-10, 1994. (PMDocs 2057342447).

## 2 Campaign to discredit MCS references

Aspen program, 1995. Second Annual Aspen Environmental Medical Conference September 7-9, 1995. (PMDocs).

Bailer, Josef et al. Trauma experience in individuals with idiopathic environmental intolerance and individuals with somatoform disorders, *Journal of Psychosomatic Research*, 63, 657-661, 2007.

Barrett, Stephen and Ronald Gots. Chemical sensitivity: the truth about environmental illness, Amherst, NY: Prometheus Books, 1998.

Barrett, Stephen. Unproven "Allergies": an epidemic of nonsense, American Council on Science and Health, 1993.

BCIA (Business Council on Indoor Air), 1991. Environmental Illness, April 1991. (Industry documents TI24422648).

BCIA (Business Council on Indoor Air), 1992. Minutes of meeting, board of directors, January 14, 1992 (Industry documents TI0084-1005).

Belkin, Lisa. Sufferers find haven from chemical world, *The New York Times*, December 2, 1990. (Front page).

Black, Donald, Ann Rathe, Rise Goldstein. Environmental illness a controlled study of 26 subjects with '20<sup>th</sup> century disease,' *Journal of the American Medical Association*, December 26, 1990.

Blonien, Rodney (legislative secretary for governor George Deukmejian). Letter to MCS activist Susan Molloy, October 29, 1984.

BM (Burson Marsteller). Science and the law, fax to Philip Morris January 1990. (PMDocs 2021181255).

Bohme, Susanna Rankin, John Zorabedian and David Egilman. Maximizing profit and endangering health, *International Journal of Occupational and Environmental Health*, 11, 338-348, 2005.

Bosely, Sarah. Renowned cancer scientist was paid by chemical firm for 20 years, *The Guardian*, December 8, 2006.

Bovard James (1995a). The lame game, *The American Spectator*, July 1995.

Bovard, James. Get a whiff of this, *Wall Street Journal*, December 27, 1995.

Bovard James. MCS – a name still in search of a disease, *Sacramento Bee*, January 14, 1996.

Brandt, Allan M. The cigarette century, Philadelphia: Basic Books, 2007. Chapter 9.

Brennan, Troyen A. Buying editorials, *New England Journal of Medicine*, September 8, 1994.

Broder, Irvin, Robert McMurtry, Robert Peterson. Review of the Nova Scotia Environmental Health Centre, Nova Scotia Department of Health, November 11, 2000.

Broudy, Oliver. *The sensitives: the rise of environmental illness and the search for America's last pure place*, New York: Simon & Schuster, 2020.

Busico, Michalene. Nurturing the natural lifestyle, *San Jose Mercury News*, December 6, 1990.

Calhoun, Amanda. Provide appropriate mental-health care, *TIME*, May 24, 2021.

California Legislature. Assembly Bill 3587, introduced February 17, 1984.

Cammer, Paul (president of BCIA). Letter to Leonora Guarraia, U.S. Housing and Urban Development, February 6, 1992.

Carruthers, Garrey and Herman Staudenmayer. Chemical sensitivities: know facts, *Las Cruces Sun News*, June 24, 1996.

Carruthers, Garrey and Herman Staudenmayer. Analyze syndrome before making policy, *Albuquerque Journal*, July 6, 1996.

Carter, Bill (1996a). ABC charged in secret taping, *New York Times*, October 28, 1996.

Carter, Bill (1996b). Stossel case to be dropped, *New York Times*, December 7, 1996.

Castleman, Barry. Asbestos: medical and legal aspects (4th edition), Englewood Cliffs, NJ: Aspen Law and Business, 1996.

#### 4 Campaign to discredit MCS references

Catalyst. CBS story misleads public, *Catalyst* (TASSC newsletter), Spring 1995. (PMDocs).

Champagne, Denise. Cases like Misuraca's coming to light across America, *The Leader*, (Corning, NY), April 8, 1990.

Consumer Reports. The ACSH: forefront of science, or just a front? *Consumer Reports*, May 1994.

CMAJ. Scent-free policies generally unjustified, *Canadian Medical Association Journal*, April 5, 2011

Credon, Karen. "Environmental illness" briefing paper, Chemical Manufacturers Association, 1990.

Davidoff A.L. et al. Development of multiple chemical sensitivities in laborers after acute gasoline fume exposure in an underground tunneling operation, *Archives of Environmental Health*, May-June, 1998.

Davis, Earon. Letter in the Human Ecology Study Group newsletter, October 1990.

Davis, Devra. When smoke ran like water: tales of environmental deception and the battle against pollution, New York: Basic Books, 2002.

Dolin, L.H. How to marshal the power of the Americans with Disabilities Act to minimize your company's exposure to liability to individuals seeking accommodations for "multiple chemical sensitivity disabilities." *Regulatory Toxicology and Pharmacology*, 24, S168-S181, 1996.

Donnay, Albert. Letter to Lawrence Ebner of McKenna & Cuneo (law firm), September 21, 1996.

Donnay, Albert. Junk science meets junk journalism, American Public Health Association annual meeting, November 11, 1997.

Donohue, Christine (Philip Morris). Memo re: Walter Williams, October 29, 1993. (PMDocs 2023375339).

E magazine. Environmental illnesses finally acknowledged, September/October 1990.

Ebner, Lawrence (law firm of McKenna & Cuneo). Letter to Albert Donnay of MCS Referral & Resources, September 12, 1996.

EI Wellspring. How opponents of MCS and EHS created the term Idiopathic Environmental Intolerance, [www.eiwellspring.org](http://www.eiwellspring.org), 2020.

Epstein, Keith. \$1.8 million buys 11 units for 'sensitive' Californians, *Cleveland Plain Dealer*, July 10, 1994.

ESRI (undated 1). What is idiopathic environmental intolerances? (formerly known as ecological illness/multiple chemical sensitivities), Environmental Sensitivities Research Institute (published 1997 or later).

ESRI (undated 2). The facts about multiple chemical sensitivity (MCS), American Academy of Family Physicians Foundation (actually: Environmental Sensitivities Research Institute), undated.

FAIR (Fairness and Accuracy In Reporting). Stossel fabricated data on organics, researchers say, August 1, 2000.

Foreman, Judy. Disease du jour, *Boston Globe*, June 3, 1996.

Garloch, Karen. Invisible illnesses, *Chicago Tribune*, July 8, 1998.

Givhan, Robin. More people are turning up their noses at chemical-laden fragrances, *Chicago Tribune*, April 17, 1990.

Goad, Meredith. Sickness caused by fumes, workers say, *Portland Press Herald*, December 10, 1990.

Goering, Laurie. Allergies just start with pollen for some, *Chicago Tribune*, July 20, 1991.

Gots, Ronald et al. (1993a). Multiple chemical sensitivities: a symposium on the state of the science, *Regulatory Toxicology and Pharmacology*, 18, 1993.

Gots, Ronald (1993b). Hypothesis and practice: autointoxication and MCS. *Regulatory Toxicology and Pharmacology*, 18, 2-12, 1993.

Gots (1993c). Multiple Chemical Sensitivity, Indoor Environment 93 Conference Proceedings, 1993.

Gots, Ronald. Multiple chemical sensitivities: distinguishing between psychogenic and toxicodynamic, *Regulatory Toxicology and Pharmacology*, 24, S8-S15, 1996.

Gots, Ronald. Multiple chemical sensitivities, *Hippocrates' Lantern*, 4, 3, 1997.

Greene, Gayle. A tale of two scientists: doctor Alice Stewart and Sir Richard Doll, in: *Corporate ties that bind*, Martin J. Walker (editor), New York: Skyhorse Publishing, 2017.

Grossman, Karl. Victor Neufeld's anti-environmental spin continues, *Extra! Update*, Fairness and accuracy in reporting, June 1994.

Grow, Doug. The nose knows, *Chicago Tribune*, July 8, 1998.

Hale, Kathleen. Allergic to life: the Arizona residents 'sensitive to the whole world,' *The Guardian*, July 11, 2016.

Hall, Stephen. People live in houses with aluminum foil, wear gas masks in public, and shun newspapers, deodorants, and most things man-made. They're crazy right? *Health*, May/June 1993.

Hamilton, Denise. Your perfume is making them sick: overwhelmed by the scents of chemicals in products and in the air, some activists are leading the push for a more fragrance-free environment, *Los Angeles Times*, December 15, 1994.

Harrison. November 1992 Activities, E. Bruce Harrison Company (tobacco PR company), December 10, 1992. (Industry documents Library at UCSF 51142 0996, RJ0186LAZ).

Hembree, Diana and Sarah Henry. Baffling ills hit 'Silicon Valley' workers, *The Arizona Republic* (News America Syndicate), December 14, 1986.

Hembree, Diana and Sarah Henry. The mystery disease of Silicon Valley, *Sacramento Bee*, December 21, 1986.

Hileman, Bette. Multiple chemical sensitivity, *Chemical and Engineering News*, July 22, 1991.

Hilts, Philip. Company spent \$1 million to put cigarettes in movies, memos show, *New York Times*, May 20, 1994.

Holm, Stewart (1990). MCS workshop participant recommendations, December 10, 1990. (Industry documents TI0139-0640).

Holm, Sewart (1991). NAS workshop on “multiple chemical hypersensitivity,” March 26, 1991. (Industry documents TI0139-1819).
